

CHAMPIONSHIP HOSTS (YORKSHIRE WIDE)

- **Start Town Sports Team** *will assist the race team to ensure a smooth and safe start of each days racing. Responsibilities include rider sign on, assisting in the maintenance and gear check tents, and assist in the warm up marquee assistance.*
- **Harrogate Town Spectator Experience & Fan Zone Spectator Experience**
As a Spectator Experience volunteer based in Harrogate you'll be working in the centre of the action! You'll go out of your way to make sure that all spectators have a great experience during their visit to the Fan Zone by engaging with them, making sure you have the most up to date race information on the day and making sure they are having fun! You'll also be the main contact for way-finding, and any other helpful advice spectators may need.
