

TRANSPORT (YORKSHIRE WIDE)

- **Fleet drivers & Fleet Team Support**

*The role involves working with official race vehicles both before and during the Championships, ensuring they are fit for purpose before they leave Harrogate i.e. fitting & removing roof racks, daily management of pool vehicles and managing vehicle accreditation. Some of these roles may require you to pick up and drop off vehicles in Harrogate, by transporting them from team parking to prep areas. **A full clean driving licence is required.***
